Alpine DNA – Modern Alpine Cuisine
Rooted in the Alps, inspired by what's new.

Dear Guests,

We cook with passion and heart. Our food is made in-house and is freshly prepared. For us, great food begins with high-quality ingredients, honest craftsmanship and a great attention to detail.

. We pickle and preserve a wide variety of ingredients ourselves to give our dishes that special something. This creates the unique flavours that define our cuisine.

Thank you for placing your trust in us. We hope you have a wonderful time and enjoy a truly memorable evening with us.

Fresh, authentic, and cooked from the heart.
Mike, Matze and Benni

ALLERGEN INFORMATION
All our wines contain sulphites (O) and all our beers contain gluten (A).
